The Lutherwood Foundation to support Denny's Café

Lutherwood is a not-for-profit organization that offers mental health, employment, housing and counseling services to more than 18,500 people each year. Lutherwood's 41 year reputation for strengthening lives and giving people hope is earned through compassion for those served and built on a solid foundation of innovative programs and best practice standards.

Lutherwood has just transformed its Children's Mental Health treatment centre on Benjamin Road in Waterloo. This centre is a place of healing where 250 children with mental health problems live and learn each year.

Denny's Café will provide a special place for children, families, staff and guests to sit and chat. As well, youth living and learning at Lutherwood will have the opportunity to learn some food and customer service skills at Denny's Café.

CHARITY GOLF TOURNAMENT

Conestogo Golf and Country Club
Monday, September 19, 2011

Dennis Strassburger

In November 2010 Dennis Strassburger, the Co-President of Strassburger Windows and Doors passed away.

Dennis was a special man who raised the spirits of people around him with joyful personality and humour. A man dedicated to family, business and friends, Dennis made the world a better place and will be remembered as someone who made a difference.

Dennis took pride in the number of organizations Strassburger Windows and Doors supported in particular, The Lutherwood Foundation, who they have supported with a number of long term donations. Lutherwood was named the organization which memorial donations were to be given, and his family, friends and business associates responded overwhelmingly. Lutherwood received the largest amount of donations given by a single memorial request. That money is being used to open Denny's Café at Lutherwood. This tournament was established in Dennis' honour to raise money to help Denny's Café continue to operate now and into the future.

Tournament

The Tournament
