

I,
 ensure that all confidential information is secure, I understand that I am to use passwords on all my devices as this controls who has access and improves confidentiality and security Electronic communication is not always the best way to communicate. It has been explained to me that a face-to-face meeting with staff may be suggested. I agree to always double check where I have addressed an email or text before sending, as it can be misaddressed and sent to unintended or unknown persons. I understand that staff's email address or contact information is not to be included in any mailing lists. If this occurs, has been explained to me that it may result in not being permitted to continue electronic communication with Lutherwood staff. Deleted emails may not be permanently deleted; back-up copies may exist on a computer or in cyberspace. Emails can introduce viruses into a computer system and potentially damage the files. It has been explained to me the email can be viewed by Lutherwood IT staff for security purposes. Emails and text messages will be summarized and entered into my file as part of my record. I am advised that client records can be used as evidence in court. All copies of emails will be deleted by Lutherwood. Exceptions to this occur
